

SAC ELECTION STATEMENT

Dear MSUSAG Professional Members,

I am reaching out to ask for your continued support of my position on the MS SAC.

I have had the privilege of being a competitive gymnast, the parent of two competitive gymnasts, (both of whom achieved successful optional levels), a coach for both recreational and competitive athletes (many who received regional and national recognition), a gym owner, a meet director, a meet host and a judge.

I attend yearly state, regional, and/or national clinics and conferences to keep up-to-date on all the new changes/directions our sport takes. I have put in hundreds of hours of volunteer time at clinics and conferences within our state and our region.

I have been fortunate to serve on the SAC for many years and recently accepted a position on the MSNAWGJ Committee.

I listen, I observe, I am fair and open-minded. I believe that all these roles and qualities give me a personal and unique perspective as a committee member which are a benefit in serving our state. It has and always will be my intent to put the athletes and club owners first. I want Mississippi to be a success and a respected member of the Great Region 8!!

I am extremely thankful for your time and consideration.

Dawn Messer
